

Dear Business Partners,

This is to inform you that, based on **credible intelligence inputs**, cargo have been identified as **highly sensitive and vulnerable**. In view of the prevailing security environment, it is imperative to implement **immediate and stringent security protocols** to safeguard cargo operations and ensure the safety of all personnel, equipment, and property.

The following **enhanced security measures** will be implemented immediately until further notice:

1. **Vehicle Security Checks:** All vehicles entering the cargo premises will be subjected to thorough security inspection.
2. **100% Frisking:** All personnel will undergo mandatory frisking.
3. **Original Entry Pass holders will be granted access and must be displayed at all times:** Only original pass holders will be granted access. No photocopies or temporary passes will be accepted.
4. **No Visitor Passes:** Entry is strictly limited to registered consignees and shippers. Visitor and FAM (Familiarization) trips are suspended.
5. **Screening** 100% X-Ray Screening of cargo at Piece Level and enhanced physical & ETD checks.
6. **Advance Cargo Deposition:** All cargo should be deposited well in advance to allow for extended security clearance times. Delays are expected. Only shipments planned within 24hours of the flight departures will be accepted.
7. **Document Verification:** Complete verification of all cargo-related documents and identification of personnel is mandatory.
8. **Heightened Vetting of Domestic:** Including sorting, pre-clearance checks, carrier booking confirmation, and vehicle/personnel control prior to entering the cargo area.
9. **Truck Dock Management:** Zero tolerance for congestion at the truck dock.
10. **Vehicle Conduct at Terminal:** No vehicle idling or unattended trucks will be allowed within the cargo vicinity.
11. **Designated Parking Enforcement:** Parking is permitted only in authorized and designated areas.
12. **Reporting:** Any abnormality observed must be immediately reported to the Security In-charge 9704678169.

Any Challenges/deviations to implement above procedure has to be bought to DIG by custodian.

Thanking you for your understanding and continued support.
