Environment & Sustainability Policy

We, at GMR Hyderabad Air Cargo (GHAC), consider that environmental protection and sustainability are integral part of our business, and are committed to conduct the operations at GHAC in line with our Vision, Mission, Values & Beliefs and Corporate Policies. As a part of this commitment, we will strive to conserve the environment and achieve sustainability by:

- Prevention of environment pollution by optimum utilization of natural resources, energy conservation and practicing eco-friendly technology.
- Ensuring compliance to applicable environmental statutory requirements.
- Continual improvement of environmental management system to enhance environmental performance.
- Managing environmental aspects of the GHAC through identification, impact evaluation and providing suitable control measures.
- Inculcating organisational culture at all levels with a focus on sustainable growth, thereby contributing to social development.

This Environment and Sustainability Policy is communicated to all persons within GMR Hyderabad Air Cargo and is made available to relevant interested parties, as appropriate.
